

Before voting on Prop 67, ask yourself:

Who do you trust to protect quality emergency healthcare for you and your family?
Firefighters, paramedics, doctors and nurses OR *phone companies*?

Out-of-state phone companies and cell phone companies are bankrolling the campaign to defeat Prop 67 and deny essential funding for emergency services.

According to the Secretary of State, the top 5 contributors to the campaign against Prop 67 are:

1. SBC (Texas)
2. Verizon (New York)
3. T-Mobile (Washington)
4. AT&T Wireless (Washington)
5. Sprint (Kansas)

The opponents of Prop 67 use misleading statistics and scare tactics. Prop 67 is a modest and sensible initiative that firefighters, paramedics, doctors, and nurses agree will *save lives*.

HERE ARE THE FACTS:

FACT: Prop 67 caps the surcharge a phone company can add to residential telephone bills at 50¢ per month – a *maximum* of \$6 per year.

FACT: The cost to cell phone users is minimal - if you pay \$30 a month, Prop 67 will cost you 90¢.

FACT: Prop 67 completely exempts senior citizens on basic lifeline phone service – they will not pay a dime.

FACT: Prop 67 provides for audits to ensure funds are properly spent and prohibits the Legislature and phone companies from raiding these funds.

Voters have a clear choice: watch our emergency medical care system unravel OR vote YES ON PROP 67 to ensure victims of heart attacks, strokes, car accidents and other emergencies receive life saving emergency care.

SAVE EMERGENCY CARE. SAVE LIVES. YES ON PROP 67.
